Bangalore,

Pending the issue of orders regarding A.R.P. work in future, I shall be glad if instructions are given that some at least of the P.W.D. lorries that have been taken for A.R.P. work may be released, particularly in the Mysore Division.

3/4/43

It is ascertained from the A.R.P.Officer on the phone that of the lorries which they had three have been converted into ambulance vans and that out of the remaining three lorries one is under repair and two have been earmarked for rescue work. The A.R.P.Officer states that if these lorries should be withdrawn rescue parties cannot function and even practices cannot be held. He feels therefore that it may not be possible to spare any lorry for the Public Works Department.

In another connection it [illegible] by the Defence [illegible] Bangalore [illegible] Nos. [illegible] should be retained as a reserve stock in the Civil area. Consequently the A.R.P. Services will have to be kept at their present level. Hence the release of lorries (other than marked for Rescue work), may not be possible
